THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURAL RESEARCH AND EDUCATION IN THE MINISTRY OF AGRICULTURE (SHRI HARI KRISHNA SHASTRI): (a) Yes, Sir. The Union Government has accepted an integrated policy on oilseed production, import, distribution and pricing in order to accelerate self-reliance in edible oil.

(b) The five elements of the Integrated Policy are as under:

(i) Support to farmers with technology, inputs, extension services and credit to increase oilseed production;

(ii) Raising the price of imported oil distributed through the Public Distribution System in a phased manner, in order that this is not less than prices derived from the support prices for oilseeds;

(iii) Prescription of a price band for wholesale price of edible oils, which will be fair both to the consumers and the producers;

(tv) Buffer stocking operation by NDDB, with domestically produced and imported stocks, to maintain prices within the prescribed price band; and

(v) Creation of high level "Empowered Committee" to supervise the implementation of Integrated Policy.

(c) Some elements of this policy have been under implementation during the last year and have largely contributed to an anticipated record level of production, 155 lakh MT in 1988-89. The Integrated Policy should result in achieving self-reliance in the shortest possible time.

(d) The size and composition of the buffer stock will very front year to year depending upon the level of production and anticipated demand.
